

Cyberabad Security Council, SCSC is hosting its FIRST edition of the Annual Cyber Security Conclave 2015!!

The Cyber Security Conclave is designed to bring the best Cyber Security Experts in the country to a common platform to share knowledge around the most pressing needs of Cyber Security. Be it the Enterprise OR the Domestic Environment, the Cyber Space has opened up new challenges which need to be addressed at both a strategic and Tactical levels.

Designed for the netizen, the program content is designed for leaders in the domain of INFORMATION SECURITY, DATA SECURITY and IT INFRASTRUCTURE SECURITY. Interact with the leaders from the IT Industry including **MICROSOFT, KPMG, E and Y, RAYTHEON, WEBSense, WIPRO AND TCS** to know the latest strategies, technologies and tools to ensure Cyber Security for your Enterprise.

Speaking about this event, The Secretary of Cyberabad Security council, Mr. Bharani Kumar Aroll stated that “SCSC is proud to host this event for the very first time in Hyderabad partnering with NASSCOM and HYSEA. Our goal is bring together cyber security experts, senior corporate officials and policy-makers from across the public and private sector to provide an update on cyber security policy, share best practice strategies, and help the IT Industry to combat cyber threats effectively. We will continue this journey to bring awareness about the latest cyber threats and help the industry to be prepared to maximize resilience and minimise vulnerability”

The event is being held at The Westin, Raheja Mindspace Cyberabad on August 4th. Honourable Minister for ITE & C& Panchayat Raj , Shri. K.T. Rama Rao will be the Chief Guest and Mr. Nandkumar Saravade, CEO of DSCI is the Key Note Speaker. The Chairman of SCSC, Shri. C.V. Anand will preside over the inaugural session at 9.30 AM. The Main panel sessions are: “New Generation of Cyber Attacks”, “Forward leaning strategies for securing cyber space” and “Cyber Threats -The social dimension and legal imperatives...”
