

Press Release for the New SHE-Shuttle Launch:

The Society for Cyberabad Security Council of two more SHE-shuttles for the women work force of the IT corridor. The launch was formally flagged-off by Mr. C. V. Anand, IPS, the Commissioner of Police and the Chairman - SCSC, in the presence of Mr. Bharani Kumar Aroll, the Secretary SCSC, Mr. Kartikeya Sharma, IPS, DCP Madhapur and Convener of SCSC, Mr. Krishna Yedula, Leader Traffic Forum, Ms. Mamata Vegunta, Leader Women's Forum and other eminent member from IT industry, on 18/02/2016, 11:30 AM, Thursday, at the Tech Mahindra and Oracle corridor.

The successful run of the previous two SHE-Shuttles from July 2015 raised the demand for the new launch. This is indeed a welcome gesture for the Council and equally for the women work force in the IT corridor. Speaking for the occasion Mr. C.V. Anand, congratulated the effectiveness and efficiency in maintaining the SHE Shuttle transport services for safe travel of the women professionals during the transit hours. Mr. Anand also mentioned that SCSC has always been the front runner when it came to women safety.

Mr. Bharani Kumar Aroll, the Secretary for the Council reiterated the sustainable need of catering to security issues related to women during working hours and how SCSC through its vision fulfilment has to a greater extent met the requirement leaving no stones unturned.

The responses from the various IT industry members were overwhelming and they appreciated hard work of SCSC for initiating the seed thought as well as sustaining the initiative by launching two more vehicles.
