Press Release

Today there was a review meeting of all Security Heads of various organizations based out of Cyberabad Police Commissionerate area, chaired by the Commissioner Mr Sandeep Shandilya, IPS. The idea of this review meeting is to understand the preparedness of all organizations, what kind of precautions they need to take in case of any kind of exigency, how Cyberabad Police is prepared to handle any kind of eventualities, how the organizations are coping up with right security guards recruitment, training and back ground verification, what kind of essential equipment each organization need to have to better security systems in place etc.

The companies have also shared their preparedness, what kind of systems and processes they have built in . CP has told them that the IT patrolling vehicles have been increased by 75%, over and above the patrolling vehicles allotted to each police station in IT corridor.

JCP Mr Stephen Ravindra in his address offered the Tactical wing's unique training to all IT companies who ever wants it. He has shared some best practices to recruit better security guards and simple verification methods.

Mr Bharani K Aroll, Secretary in his address said that each of the companies need to collaborate and partner with each other for better security preparedness and improved visibility.
