Cyberabad Police Commissionerate has concluded the training of second batch of Tactical Training for security heads of various IT / ITes and other large organizations in IT Corridor. This program is the brain child of Commissioner Mr Sandeep Shandilya IPS and successfully executed by Joint Commissioner of Police Mr Stephen Ravindra and DCP Madhapur Mr Vishwa Prasad.

Explaining the rationale behind the program, DCP Madhapur said “ Most of the IT, ITes companies, large business organizations deploy Private Security agencies staff for their day to day security. As a proactive measure, we have decided to train all the Security Heads of these companies and Security supervisors. These Security Heads and Security supervisors have been trained in such a way that they are capable of training their staff after this training program. So that the first line of Defence at the organizations become very strong and they are in a position to handle any kind of emergencies & exigencies till the time Police reaches the spot of the incident and take control of the situation. During this 5 day training program they have been trained on reflexes, using the hand baton effectively, weapon disarming techniques, Identification of explosive devices, identification of suspects and their behavior, room and building search and other important aspects of security. All these security heads of the companies have also got an opportunity to interact with all the SHOs of the IT corridor so that they have a first level contact with them directly.

Speaking on the occasion Mr Bharani K Aroll, Secretary of Cyberabad Security Council, he said that Safety and security, creating that eco system plays an important role to attract good investments to the state. He said this kind of formal training on Tactics given by Cyberabad Police Commissionerate is a very unique program conducted for the security heads of the organizations is a very unique exercise anywhere in the country and said this kind of initiatives definitely create a good brand image for the city of Hyderabad in creating the eco system.

Close to 60 companies have nominated their security heads and they have been trained for 5 full days by the tactical wing of Cyberabad Police Commissionerate.
